Founding President's Message

Dear Esteemed Colleagues,

It is with immense pleasure and in great enthusiasm that I welcome you to the second Annual Conference of the Association of Robotic and Innovative Surgeons (ARIS), hosted in the remarkable city of Hyderabad, India. This distinguished gathering marks a significant milestone in our shared journey to redefine the landscape of surgical excellence, embrace innovation, and leverage state-of-the-art robotic technology.

Founded in April 2022 in my hometown of Guwahati, Assam, ARIS was born from a clear mission: to elevate advanced technology and pioneering research, empowering our members to deliver unparalleled patient care. Our Founding and Executive Committee members have tirelessly worked to enhance the accessibility of robotic technology, striving to make it both accessible to surgeons and affordable for the public. This conference exemplifies our unwavering commitment to nurturing a collaborative and enriching environment for learning.

In our pursuit to democratize robotic surgery, ARIS has introduced the world's first international course, "FARIS," which has received resounding accolades from surgeons worldwide. Our inaugural FARIS 22 Batch conferred esteemed fellowships upon 76 candidates, followed by 54 in the FARIS 23 Batch, with 62 candidates currently enrolled in the FARIS 24 Batch. Our organization boasts a robust regional presence and an international network spanning the USA, UK, Maldives, Singapore, the Middle East, and Bangladesh. Together, we continue to foster innovative ideas and embrace cutting-edge technologies, expanding our influence and serving as a vital resource for medical professionals dedicated to addressing societal needs.

Hyderabad, known as the City of Pearls, the City of Nizams, and Cyberabad, perfectly encapsulates the fusion of history, culture, and modernity—making it an ideal backdrop for our conference. A historic center of the pearl and diamond trade, Hyderabad symbolizes our pursuit of excellence and precision. As a global IT hub, its Cyberabad persona resonates with ARIS's mission to propel robotic surgery forward, further enhanced by the city's exceptional infrastructure and warm hospitality.

During this conference, you will have the chance to engage with world-class experts, thought leaders, and fellow practitioners. Our extensive program features a variety of sessions, live workshops, and panel discussions covering the latest advancements in robotic surgery and innovation in healthcare.

I would like to take a moment to express my gratitude to Dr. Jagdishwar G Goud, chairman of the organizing committee. Dr. Goud is a trailblazer in the field of robotic surgery, serving as the Robotic Surgical Oncologist at Apollo Cancer Centre, Apollo Hospitals, Jubilee Hills, Hyderabad.

Esteemed colleagues, let us view this conference as more than just a venue for learning; let it be a catalyst for progress, innovation, and a celebration of our profession's enduring commitment. United by a common vision, we have the power to transform the field of surgery and, in doing so, positively impact countless lives.

As the President of this esteemed association, it is both a privilege and a profound responsibility to represent our dedicated members and advocate for the advancement of robotic and innovative surgery.

I am confident that Dr. Jagdishwar Goud and his exceptional team will leave no stone unturned to ensure an unforgettable experience for each of you.

Welcome to Hyderabad, welcome to the 2nd Annual Conference of the Association of Robotic & Innovative Surgeons (ARIS), and welcome to a future rich with limitless possibilities.

I look forward to welcoming you all to ARIS 2025.

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful." — Albert Schweitzer

Prof. Subhash Khanna
Founding President,
Association of Robotic & Innovative Surgeons (ARIS)

Welcome Message

Welcome to ARIS 2025!

On behalf of the Association of Robotic and Innovative Surgeons (ARIS), we are delighted to welcome you to the ARIS 2025 Conference, held from April 18th to 20th, 2025, at the iconic Ramoji Film City, Hyderabad. With the theme "From Basics to Advanced Robotic Surgery," this conference is a celebration of innovation, learning, and collaboration in the field of robotic surgery.

ARIS 2025 is designed to bring together a diverse community of surgeons, researchers, and healthcare professionals from across the globe. Our aim is to bridge the gap between foundational principles and cutting-edge advancements in robotic and innovative surgery. Through interactive workshops, hands-on training sessions, and thought-provoking discussions, we aspire to empower attendees with skills and knowledge that redefine surgical care.

We are thrilled to host this event in Hyderabad, a city known for its vibrant culture, rich heritage, and technological leadership. We encourage you to take this opportunity not only to expand your professional horizons but also to immerse yourself in the beauty and charm of the region.

Together, let us shape the future of robotic surgery, making it more accessible, advanced, and impactful. We look forward to welcoming you to an unforgettable experience of learning, sharing, and networking.

Warm regards,

Dr. Jagdishwar Goud

Organizing Chairman, ARIS 2025

Conference Highlights

Registration Details

| Category | Early Bird till 31-Dec-2024 | Standard till 15-Jan-2025 | Regular till 15-Mar-2025 | On Spot 15th Mar 2025 Onwards |
|---|--------------------------------|------------------------------|-----------------------------|----------------------------------|
| ARIS Members | INR 11,800 | INR 14,750 | INR 17,700 | INR 20,650 |
| CRSA/SSAT Members | INR 11,800 | INR 14,750 | INR 17,700 | INR 20,650 |
| Non-Members | INR 14,750 | INR 17,700 | INR 20,650 | INR 23,600 |
| Student Rate (Residents) | INR 8,850 | INR 11,800 | INR 14,750 | INR 17,700 |
| Student Rate (Residents) Without Banquet Dinner | INR 5,900 | INR 8,850 | INR 11,800 | INR 14,750 |
| International Delegates (SAARC) | USD 177 | USD 207 | USD 236 | USD 295 |
| International Delegates (Other) | USD 295 | USD 325 | USD 354 | USD 413 |
| Accompanying Person | INR 11,800 | INR 14,750 | INR 17,700 | INR 20,650 |

Note: Inclusive of 18% GST, in the above Participation fee

REGISTRATION GUIDELINES

- Registration for children below 5 years is complimentary. (Govt. Age ID Proof is Mandatory)
- Registration fees include admission to the scientific halls, trade exhibition, lunches, and delegate kit.
- Make sure to mention the email ID & mobile number that you use regularly, as these will be used for the registration receipt and other conference communication.
- The organizing committee shall not be liable in any form in case of changes in date/venue due to unforeseen reasons.
- Conference organizers are not responsible for postal delays/failure of delivery by post or failure of electronic communication.
- For spot registrations: Payment will be accepted only by mode of cash/card/UPI/DD. The disbursement of the delegate kit for the same will be subject to availability.
- Request for cancellation for refunds must be emailed to the conference secretariat at arishyderabad@gmail.com.
- 75% of the registration fee will be refunded for cancellations made up to 31st December, 2024.
- 50% of the registration fee will be refunded for cancellations made up to 30th January, 2025.
- 25% of the registration fee will be refunded for cancellations made up to 15th February, 2025.
- No refund will be provided for requests made on or after 16th February, 2025.
- Registration is not transferable.
- All refunds will be made after 30 days of the conference by cheque only. GST will be deducted from all refunds.

About Host City

Hyderabad: The City of Pearls

Hyderabad, affectionately known as the "City of Pearls," is a stunning blend of history, culture, and modernity. Founded in 1591 by the Qutub Shahi dynasty, Hyderabad has flourished as a cultural and commercial hub, and today, it stands as one of India's most vibrant metropolitan cities. Its rich history is reflected in its architectural marvels, from the iconic Charminar and Golconda Fort to the grand palaces of the Nizams.

As a city that seamlessly merges heritage with innovation, Hyderabad has become a significant IT and business center, home to some of the world's largest tech companies. Beyond its booming economy, Hyderabad is celebrated for its warm hospitality, diverse communities, and the delightful aroma of its world-famous Hyderabadi Biryani.
